

PTO
Year in Review
2006-2007

A special "thank you" to our teachers, Barb Sheppard and our Dean, Dr. Mike Wolf, who participated in and supported our events. We would also like to thank our PTO parents for their support, dedication and enthusiasm. Together we were able to achieve:

Salvation Army Clothing & Toy Drive

Thank you Student Government for collecting the items for our school and working at the toy distribution warehouse. Your efforts made the Holiday special for many children.

Winter Break Party

A welcome break from book work! Thank you Student Government for planning the entertainment and food. Thank you PTO parents and teachers for sharing the evening with our kids.

Coyote Barbeque

Special thanks to Dr. Wolf for flipping those burgers! Loved the apron! Thank you Pat Bezuyen and kids for the silly elephant gifts.

Field Trips

Thank you PTO parents for being brave chaperones! Our kids visited the Salvation Army Toy Distribution Center, participated in the Frank Lloyd Wright Foundation tour, and visited the Chaparral High School DNA testing lab.

Coyote Howling Night Out

Students, parents and teachers bowled, gamed and dined at Jillian's.

Pappas Schools Book Drive

Students at CRMSA donated over 1400 books to homeless children. Bravo!

Fundraising Groundwork

School accounts were established for Safeway's escrip program, Fry's Cool Ca\$h Program, Arizona's School Tax Credit and SchoolPop.com. Instructions were sent home to families and posted on the CRMSA web site and CRMSA Monthly Newsletter.

Information to Parents

We try to keep our parents informed about our school and district. Each family was provided a Student Directory. PTO meetings were held the second Tuesday of each month. This year we held 6 PTO meetings. We introduced Coyote Coffee as an informal social for parents, students and teachers. Notices were sent to each family by email, posted on the CRMSA web site and posted in the CRMSA Monthly Newsletter.
