Dr. Gary T. Catalani, Superintendent
And Governing Board
Scottsdale Unified School District
3811 North 44th Street
Phoenix, AZ 85018-5420

Dear Superintendent Gary T. Catalani and Governing Board:

Section 9528 of the No Child Left Behind Act of 2001 requires schools to release our family's private information to military recruiters unless we "opt out" in writing.

_____ As a parent, I am exercising the right to request that you do not turn over the name, address, telephone listing and school records of the following student to the Armed Services, Military Recruiters, or Military Schools.

_____ As a student of the age of majority, I request my own name, address, telephone number and school records not be released to the Armed Forces, Military Recruiters, or Military Schools.

Student Name _____ Name of School _____

I urge you to do everything in your power to educate students and parents of their rights under Section 9528 (as it currently stands), and to make the process of opting out as straightforward as possible. Here are examples of district procedures I think exemplify the best practices in notification and opt out:

1. Publicize Opt Out policy at staff and family orientations, in publications, and on the school district's Web site.
2. Attach an Opt Out form to the school's required emergency information form, or print the Opt Out form as a standalone form, and require its return as part of student registration.
3. Translate the Opt Out form into multiple languages as appropriate for our school community.

Sincerely,
