Dear Parents and Guardians,

Yesterday we communicated to you via a letter home and a posting on the Saguaro and District Web sites information relating to an ongoing investigation involving Mr. Tom Porras, a substitute teacher and assistant coach at Saguaro.

We indicated to you that we would provide additional information as it comes to us.

According to the Scottsdale Police Department, Mr. Porras was arrested for public sexual indecency and sexual abuse of a student. Although he has since been released from police custody, under no circumstances will he be permitted to return to school property or attend any school or District events. We have directed school staff and campus security to contact the police immediately should Mr. Porras attempt to do so.

In addition, the District is in the process of terminating Mr. Porras. While Scottsdale Police continues to investigate, we are not aware of any other victims at this time.

As always, student safety is our number one priority. We will continue to work closely with the Scottsdale Police Department to ensure our students are safe and our parents are well-informed.

If you have additional questions or concerns, please feel free to call me at 480-484-6113.

Sincerely,

Dr. Althe Allen
