(CHILD FIND)

Program Contact

Tel: 480-484-5086

The Child Find program is provided without charge to families who live in the Scottsdale Unified School District. The purpose of the program is:

- To identify young children who are having difficulty in their development
- To provide services to these identified children, when it is appropriate.

Child Find provides developmental screenings and, when appropriate, a comprehensive multi-disciplinary evaluation for children from 33 months to kindergarten age.

For Kindergarteners through age 21, please contact your local school.

Parents who attend a Child Find screening may have concerns about their child's development in the areas of:

- **Hearing**
- **Vision**
- **Speech/language skills**
- **Motor skills**
- **Thinking skills**
- **Emotional or social skills**
