You are invited to Aztec's Open House on April 23, 2008

At Aztec Elementary, our Highly Effective Teaching approach uses the science of learning, brain compatible instructional strategies and conceptually based curriculum. Our Highly Effective Teachers create year long themes which align Arizona and SUSD standards into rich, meaningful areas of study.

The Aztec Community invites you to an evening of educational exploration on **Wednesday, April 23, 6:30—8:00 pm.**

- See presentations on our Preschool, Kindergarten, and 6th Grade programs
- Enjoy the Art Walk, Drama and Music performances
- Enjoy live "Being There" experiences by Liberty Wildlife and the Desert Botanical Garden
- Enjoy our Scholastic Book Fair

Tour our campus and talk to our staff, parents and children about how Aztec creates responsible citizens capable of constructive thinking, problem solving and understanding that what they learn in school has practical application in the larger community.
