Presents EMPTY BOWLS

11 AM - 7 PM

Bowls starting at \$5.00

Wednesday, December 3

9000 East Chaparral Road
Student Center Cafeteria

A minimum donation of \$5 buys a plate of pasta from Aramark, a hand-crafted bowl and raises money to fight hunger in Scottsdale. These bowls are individually created by students and faculty from the Scottsdale Unified School District, Salt River High School, and Paiute After-School Programs.

This annual event is in response to the fight against hunger. Proceeds will help restock bare shelves at Vista del Camino Food Bank, the City of Scottsdale's local food bank, which responds to approximately 5,000 requests each year for emergency services of food, clothing and shelter.

For more information, please call Jorge Rodriguez at 480.423.6538.

Formal program with special guests will begin at 12 PM in the Student Center Cafeteria.
