Special Education Parent Advisory Council of Scottsdale's (SEPACS) mission is to encourage a welcoming school culture throughout the Scottsdale Unified School District for students with special needs. SEPACS hosts meetings during the school year on a variety of topics. Visit our website at [WWW.SEPACS.ORG](http://WWW.SEPACS.ORG) for our mission statement, meeting schedule, resources for special education related issues, mail list signup, and a blog for parents to share information.

The Scottsdale Unified School District neither endorses nor sponsors the organization or activity represented in this material. The distribution or display of this material is provided as a community service.
