Dear Aztec, Cheyenne, and Zuni Parents:

The Scottsdale Unified School District is in the process of planning for the 2009-10 school year. This letter is being provided to you pursuant to A.R.S. § 15-341(A) (36) and (41), the text of which can be found at <http://www.azleg.state.az.us/ArizonaRevisedStatutes.asp>. There are several changes being proposed that may affect the school in your area. This letter is to provide you with further information about the discussion and decision making process regarding the possible consolidation of Aztec and Zuni at the Zuni campus, and the relocation of the Cheyenne campus to the Aztec site.

The consolidation of Aztec and Zuni is being considered due to low student enrollment and to allow for better utilization of school facilities. The consolidation will allow for financial savings in current overhead and administrative costs. The enclosed map identifies the current and proposed boundaries.

The relocation of Cheyenne to the Aztec campus is being considered for better utilization of school facilities. The proposal will allow for future savings in construction bonds.

The Scottsdale Governing Board will consider the above recommendation at a public meeting at the following location and time:

October 30, 6:00 PM
Desert Mountain High School, Auditorium
12575 E. Via Linda
Scottsdale, AZ 85259

Information regarding the proposal from past board meetings and the proposed boundary map can be viewed at www.susd.org.

We appreciate your commitment to your children and look forward to working through this process together.

Sincerely,

Karen Beckvar
Scottsdale School Board President
