Dear Parents and Families,

Welcome to the start of the 2019-2020 school year. We are ready for our Eagles to soar into this year as we continue our STEAM focus here at Laguna. We are looking forward to a productive partnership with you to ensure our Eagles can achieve their highest potential. Our goal is that every Eagle, every day is collaborating with their peers, openly communicating, and using critical thinking skills to engage in learning.

We are very excited to welcome our new Assistant Principal, Evan Tiras. He comes to us with twenty years of educational experience. He spent his years in the classroom teaching Math, Social Studies, and as a Reading Specialist. He is very excited to be joining us and looks forward to meeting everyone. He will be at Laguna Monday and Wednesday all day as well as Friday mornings.

We believe that all of us – the school and the community – must work together in an extended family environment to insure success for all our students. We believe it is everyone's responsibility to empower children with the creative, intellectual, and decision-making skills necessary for them to become academically, socially, physically, and emotionally successful and responsible.

With that in mind, you are invited to be an active participant at Laguna. Whether you are a classroom volunteer, a member of the PTO, or member of one of our school communities, you are encouraged to be involved!

Here are some important dates to keep in mind. **August 1, 2019, from 4:00-6:00** for Meet the Teacher night. **School starts on Monday, August 5th.** Gates will be open the first two days of school so parents may walk with their children to the classroom before or after school. We will return to a secure campus on day three and all visitors must check-in through the office. We will host a **Boo Hoo Breakfast** in the cafeteria on **August 5th** right after the morning bell. This is a wonderful opportunity to meet other Laguna parents and celebrate the first day of school after you drop off your student. Our **Back to School Curriculum Night** will be **Wednesday, August 14th** from **5:00-7:00 pm**. This evening event is for parents only, so that you may learn about what to expect for the year. Please visit the PTO and school websites for other valuable information. We are looking forward to an amazing year!

Sincerely,

Brooke C Williams, M.A.Ed

Principal

Evan Tiras

Assistant Principal
