

Octane Raceway

Part and Full Time Kitchen, Virtual Reality, Front Desk, and Track Staff!

Please apply in person and ask for the manager on duty for an interview during operating hours. Our next hiring event will be Tuesday, September 5th from 2pm-5pm.

Octane Raceway's dedicated crew is passionate about making sure our guests visit is memorable and fun! We work together every day to consistently provide the Ultimate Adrenaline Rush with highest level of service. The following job description is designed to help further that goal. This is a basic outline and it does not encompass all of the possible tasks that are required. Nothing on this list can take the place of character, honesty, and integrity.

Line Cook - Accurately and efficiently cook Brickyard Grill menu items including sandwiches, hamburgers, pizzas, salads, and desserts. Clean and perform other duties in the areas of food and catering preparation.

Virtual Reality - Velocity VR (velocityvr.com) employees will be greeting guests, training customers, walking them through the VR game, and providing a debriefing of the experience.

Front Desk - You are the guests' first impression. Greet the customers and assist them with signing up for racing. Check guests into the registration kiosks, sell the guest races, and assign them to the appropriate racing times.

Track Marshals - Provide friendly, responsive service to create an exceptional racing experience for all of our guests. Each track marshal's objectives are to assist with loading guests into races, providing a safe race experience, and maintenance of the track.

We are hiring part time and full time positions. Must be able to work nights and weekends. **To apply please fill out an application in person at the front desk of Octane Raceway and ask for the manager on duty.**
