II. Principal's Report

Traffic/Parking Updates – Morning turnaround is going very smoothly. A reminder was made to follow policies and procedures in the afternoon in order to keep students safe. Please do not use cell phones in turnaround. Walking entrances are for students who live in the neighborhood only. Please remind students to listen to their names while waiting to be picked up. We will be looking into possibilities regarding the crosswalk on Rubicon. It has been suggested that it needs to be moved further north.

Building Update – Construction schedule is still on schedule. The gym/cafeteria/music rooms will be open in January. The new parking lot and additional turnaround is also on schedule.

Beginning of the year – An update was provided regarding the start of the school year. Teachers were able to access the new building on Friday, July 27. Teacher contracts began Aug. 1. Many classrooms were 90% ready for Meet the Teacher on August 2. The teachers worked incredibly hard to ensure their rooms were ready for students on the first day of school. A huge thank you to the many parent volunteers that helped make a smooth transition to the new building.
