

## Field Experience/Internship

Your field experience is designed as the capstone experience and is considered a key component of your program of study.

### **How do I find a field experience?**

Meet with your advisor and discuss interests and possibilities.

Read through the “How should you go about finding an internship/field experience?”

### **Forms BEFORE your field experience**

Parental Consent

Mentor Letter

### **Forms to fill out DURING**

Time Logs

### **Forms to fill out AFTER**

Mentor Verification of Hours

Thank You Note to Mentor (handwritten via mail is a nice touch)

### **Forms to turn in in August of Senior year or upon completion of Field Experience**

Mentor Verification of Hours

Time Logs

### **Final Project**

Create a Scientific Poster of Your Experience and Present it at the STEAM Showcase in April

<http://colinpurrington.com/tips/poster-design>

Swarthmore Powerpoint Template for Scientific Poster or Create Your Own

Examples:
