EVIT Students	The EVIT busses do not change schedule during testing, so students will need to be dismissed at their regular time, approx. 11:10 am, no matter what class they are in. If there is concern that they have to leave early during a testing period, please do not allow them to start the exam. They will take it on a make-up day.
Students with Jobs	We realize that students have a variety of commitments after school. Our goal in providing this information is for students to coordinate their school and work schedules. ** Use the schedule above to determine your exact schedule.**
Headphones/Earbuds	All students participating in AIMS Science or AzMERIT need to bring headphones or earbuds that will plug into a school computer. These can be purchased at the dollar store for \$1.00. <i>AirPods and newer iPhone headphones will not work.</i>
