**RECOMMENDATION:**

It is recommended that the Governing Board approve the certification of the letter to the Arizona Department of Education (ADE) regarding the revised SUSD Academic Calendar to reflect the corrected number of instructional days and instructional hours.

**BACKGROUND:**

The Academic Calendar was revised to reflect the corrected number of instructional days and instructional hours due to the five-day Teacher Walkout April 26, 2018 through May 2, 2018. The ADE requires a letter certifying this information.
