

Ingleside Middle School Compact

The mission of Ingleside Middle School is to create a challenging and rigorous learning environment that encourages responsibility and sets high expectations for student success in a competitive global society. Our school promotes:

- A safe, respectful, caring, and supportive environment
- The celebration of diversity and individual learning
- Self-esteem and resiliency
- Positive relationships among students and staff
- Sportsmanship and school spirit
- Technology as a learning tool

We take pride in the enthusiastic and dedicated involvement of our parents, teachers, and community in the life of our school.

This compact serves as a guideline to help Ingleside attain its goal to empower students with the skills necessary to become respectful, responsible, and resilient young adults who are prepared to meet the rigors of our ever-changing world.

Together we can make a difference.

Ingleside Middle School, parents of the students participating in activities, services and programs funded by Title 1 Part A of the Elementary and Secondary Education Act (ESEA) and participating children, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

- Maintain a positive, respectful and safe learning environment
- Offer high quality curriculum and instruction in a supportive and effective learning environment that enables students to meet the standards
- Support the philosophy of REAL – Ingleside's Positive Behavior Interventions and Supports (PBIS) system
