**What is The Parent/School Compact**

The school-parent compact is a written agreement between school staff, parents, and students. It is a document that clarifies what families and schools can do to help children reach high academic standards. Every school receiving Title I funds must develop a compact. The compact serves as a clear reminder of everybody's responsibility to take action at school and at home so that children can learn what is required of them. It is a written commitment indicating how all members of a school community -- parents, teachers, principals, students, and concerned community members -- agree to share responsibility for student learning.
