PUBLIC INFORMATION & MARKETING OFFICER

The Scottsdale Unified School District Communications and Marketing Department Organizational Chart overview reflects the responsibilities of the Public Information and Marketing Officer. The chart is structured to reflect areas of responsibility (green boxes), job titles of those supervised or shared supervision by the PIO (purple boxes), and job titles of those who are provided information and support but not supervised by the PIO in the area of responsibility (white boxes). Please note, areas of responsibility that do not have purple boxes are the sole responsibility of the PIO and may be assigned to team members based on availability and skill.
