

FOUNDED BY FIREMENSM

Firehouse Subs is opening a new location
at Shea & Scottsdale Rd. in 6-8 weeks. (end of Sept. 2015)

Looking to hire between 20 and 30 employees and would love to give
employment opportunities to our local High School first.

We have a passion for helping young people learn and grow so I hope
that our relationship to Chaparral High School is one that goes beyond a
mere job posting.
