

Now Hiring!

Seasonal Sales Associates

Your ideal job?

- The perfect summer job with a great company!
- A fun work environment with the potential for promotional opportunities!
- Flexible work shifts

Our ideal candidate:

- You're outgoing and super friendly.
- You love engaging with people and getting to know them.
- You are respectful, responsible, and a quick learner.
- You have extraordinary customer service skills.
- You can lift over 50 lbs. with or without assistance.

What you'll be doing as a Seasonal Sales Associate:

- Delighting customers by providing solutions to their pool needs.
- Conducting water analysis and mechanical repairs.
- Maintaining a clean store environment for our customers.
- Moving products off trucks and displaying them on shelves.

Why should you work for Leslie's?

As the leading pool supply retailer in the nation, Leslie's recognizes that the most critical component to our continued success is our people. With over fifty years of quality products and service, there is nothing we value more than the development and growth of our team.

Our internal promotion ensures that the vast majority (85%) of all open positions are filled from talent within our company. This seasonal job can become your career with Leslie's!

We offer full training, competitive compensation, a comprehensive and flexible benefits package, team member discount, and rewards to top performers. Most importantly, we offer opportunity.

Stop treading water; your career is here! For immediate consideration visit our **Jobs and Careers** page on the website below
