

# Scottsdale Unified School District Internal Accountability System

Dr. Anna McCauley

May 4, 2017

# Scottsdale USD Internal Accountability System

- Developed in coordination with Academic Learning Team
- Broad set of indicators across five categories measuring how well the district and each school is preparing students for success in college, career, and life

# Expected Benefits of Implementation

- Reduction in achievement gaps
- Increased readiness for reading, high school achievement, college, and careers
- Increased ability to target support
  - Tiered system of resources and supports based on indicator scores
- Increased transparency in school and district performance
- Will inform development and implementation of plans aimed at accelerating school and district improvement

# The Indicator Categories

- Grade Level achievement
- Literacy Readiness
- Preparation for College and Career
- College and Career Readiness

# The Indicators
