Absent: Abby Brown, Amanda Rand, Kyle Christensen

Next meeting: May 21, 2019

I. Approval of last month's minutes

Approved

II. Principal's Report

Fine Arts Night – On Thursday, April 25th, Hopi will hold its annual Fine Arts Night beginning at 5:30. Art work from all students will be on display, the 4th and 5th grade band and strings will perform and Mrs. Frederick will present 'Pirates', a musical with 4th and 5th grade choir. We are looking forward to what this will like in our new building. We are also looking forward to a few new activities.

AzMerit Testing – Testing has officially ended. Overall, things went very well! There were a few technical glitches regarding the Text to Speech option on the google chrome books. Overall, everything went well.

Building Updates- We are working on getting additional shade over the outdoor learning spaces west of the 200 building.

III. Tax Credit Summary

All tax credit accounts were updated and reported. credit for Fine Arts night.

IV. – Request for Funding

None

VI .– Open Discussion

In addition to adding shade in the outdoor learning spaces, we are also looking for additional tables near Kindergarten for outdoor activities as well as additional games painted on the concrete near the Kindergarten playground. PTA received a grant from the Steel Foundation to put a climbing wall in the gym. They are currently working with the PE teachers to get that in place for next year.

A team decision was made to discontinue giving the Academic awards at the 5th grade promotion ceremony. With standards based grading, it is difficult to determine the criteria for these awards. A parent letter will go home to all 5th grade families.

Lisa Pruitt is coming to the end of her two year term as a parent representative on Hopi's Site Council. Mrs. J will send a request for interest to all families. The community will have the opportunity to select a new representative before the end of the school year.

Teachers will be asked to put in their site council tax credit proposals so that they can be approved at the next site council meeting. This will ensure that programming will be in place when school begins in August.

Copies of the current bylaws were distributed at the meeting. We will be taking a look at these in detail at the next meeting.

Future Scheduled Meeting dates are as follows:
May 22
