Dashboard View

- ▶ Once you are logged in, you will have a dashboard view of your child's account activity:
 1. View **Notifications** for assignments, grades, upcoming events and teacher comments.
 2. View **posts** from your child's teacher and your child. (*Note: Parents can utilize the "Filter post by" option, to filter messages by individual child.*) **Parents can only view posts created by their child and posts created by the teacher.
