## 2018 LUMBERJACK SCHOLARS AWARD

7<sup>th</sup> semester transcript verification process

All students who have been or hope to be awarded the Lumberjack Scholars Award (LSA) must submit an **unofficial PDF** copy of their 7<sup>th</sup> semester transcripts to NAU by February 10<sup>th</sup> in order to verify their eligibility for this award.

**TRANSCRIPTS MUST BE EMAILED DIRECTLY TO [LJSCHOLARS@NAU.EDU](mailto:ljscholars@nau.edu) BY FEBRUARY 10<sup>TH</sup> 2018 FOR VERIFICATION PURPOSES**

Transcripts that are received in any other form will not be verified for Lumberjack Scholars Award eligibility and therefore will result in a Hold being placed on the student's LOUIE account. The only exception is if I have advised students send their transcript directly to myself.

When a student is requesting transcripts to be sent to NAU, please confirm for what purpose:

- Admissions Decision
  - Unofficial PDF transcripts can be sent to [admissions@nau.edu](mailto:admissions@nau.edu) or Abby Tudor: [abby.tudor@nau.edu](mailto:abby.tudor@nau.edu) IF specifically requested
- Lumberjack Scholars Award Verification
  - Unofficial PDF transcripts must be sent to [ljscholars@nau.edu](mailto:ljscholars@nau.edu) or Abby Tudor: [abby.tudor@nau.edu](mailto:abby.tudor@nau.edu) IF specifically requested
  - PLEASE do not mail official transcripts for Lumberjack Scholarship verification purposes
  - If you are encouraging students to send their transcripts via Parchment, please remind them to change the recipient to [ljscholars@nau.edu](mailto:ljscholars@nau.edu) or their transcripts will be sent to the general admissions email.

If a student is in jeopardy of losing their award due to not maintaining their eligibility:

- I will contact them within 3 weeks from the date that their transcript was received via email to the [ljscholars@nau.edu](mailto:ljscholars@nau.edu) email account
- Students will only be contacted if they are in jeopardy of losing their award

Course Retake Verification:

- If a student is retaking courses in order to be eligible for this award, they must also provide proof of enrollment in these course retakes if they are not already listed under their in-progress course work on the high school transcript. Students should have already been in contact with our office regarding their retakes and therefore are already aware that this information is needed.
