Next meeting: October 24, 2018

I. Approval of last month's minutes

Approved

II. Principal's Report

Traffic/Parking Updates – The new turnaround/parking lot will not be available until January per the original construction timeline. Although it appears to be complete, work is still being done on the deceleration lane and the parking lot is required for construction traffic and the trailer. Please remember not to block driveways while waiting in turnaround traffic.

Hullabaloo – This year's Haunted' Hullabaloo was an incredible success! A huge thank you to Laurie Davis and Cindy Krawczyk as well as all volunteers who came out to help!

Crossing Guards – We still need crossing guards!! Please see the office if you are interested!

Open Enrollment – We are currently closed for open enrollment – Regular enrollment will begin November 5th for the 2019-2020 school year.

Community Input Meetings for Superintendent Search – An update was provided from the Community Input meeting held on Tuesday, Oct. 23rd.

III. Tax Credit Summary

All tax credit accounts were updated and reported.

IV. – Request for Funding

NONE

VI. – Open Discussion

Questions came up regarding water storage and drainage on the field. After a follow up with CORE construction, there is 185 ft, corrugated metal retention pipe (120 in. in diameter) under the turnaround drive on the south side of the field that holds 14, 530 cubic ft. of water. The field will be graded prior to the installation of sod during the 1st week November. The grass will be aerated so water can penetrate the field. This will allow for water to drain into the underground storage tank.

Kyle Christensen provided an update on Scottsdale Parent Council – SPC is looking for two voting members from each school. One of those positions will be filled by the community liaison position on the PTA Exec. Board. If you are interested in filling the other position, please email an interest statement to Mrs. J. It was proposed that Site Council select the other voting member.

Future Scheduled Meeting dates are as follows:

November 28, December 19, January 30, February 27, March 27, April 24, May 22
