

Create Clarity – what do we do with the Arizona Data

- Core Purpose – Why do we exist?
“To Ensure All Individual Learners Reach Their Full Potential”

Data is critical to the development of the Instructional Leaders?

1. Get the right leaders-

- Train, Develop, Support Instructional Leaders
- Create a Communicate Network
- Develop levels of leadership- teacher leaders, Deans, AP, Principals

Instructional Leadership –

- Data Meetings – all admin teams
- Walk Through schools with Academic Teams (Informal discussions with school leaders)
- Informal and Formal Data Gathering and Knowledge
- Create Data Rooms
- Lead Development of the CIP
- Meeting or Exceeding CIP
- Leading Instructional Training
- Growth of leadership under the principal guidance

Data informs the teacher about learning...

2. Instructional Systems-

- Supporting Teachers
- Professional Development
- Curriculum, Instruction and Assessment Management
- Increase Rigor
(Foundation Learning, Stretch Learning, Learner Engagement, & Personal Skill Development)

Instructional Development and Support

- Instructional PD
- Data talks every school; every grade (School & District Test)
- District CIA development & alignment
- School CIP – School Goals aligned to District
