II. Principal's Report

Traffic/Parking Updates – The crosswalk at Rubicon will go away when the new turnaround opens in January. There should be no foot traffic on Rubicon, it is not safe as there are no sidewalks along the west side of Rubicon. Communication will begin shortly regarding the new turnaround procedures that will begin in Jan.

Transportation – The yellow bus will no longer make the Arcadia bus stop beginning in January. This stop was originally added to alleviate the traffic on Lafayette. With the new turnaround, traffic should flow easier around the school.

Lunch Schedule - The lunch schedule for January is being discussed with teachers. Two options were presented. Both options allow for students to play first and then eat lunch. Option A calls for a new lunch schedule that will stagger the lunch times to allow two grade levels to eat in the cafeteria at the same time. This schedule will shorten the overall lunch block and allow 1st and 5th grade students the opportunity to eat earlier in the day.
