**Subject:** Students Looking for a Part Time Job [Restaurant Server]

Hi,

My name is Emma Alina and I am a HR representative at AZ Kabob House Restaurant located in Scottsdale 101 shopping center. There is a vacancy for a restaurant server in our restaurant. We strongly encourage any student (at least 16 years old) who is interested in a part time job to apply.

We are currently looking for a Server/ Cashier to join AZ Kabob House. We are looking for someone with a great attitude who wants to make a positive difference every day. This position requires the applicant to provide excellent customer service to our customers and visitors as they serve meals in a professional manner.

 To apply for this role, students who are interested can reply to my email with their resume and explain why they are interested in this position.

Feel free to contact me if you have any questions about the position or the process.

Kind regards,

Emma Alina
