# Our Goal for Today - Rubric Design

Design an evaluation tool that will allow us to narrow down our options to 3 choices per grade level/content area group.

Then decide if a second evaluation tool will be needed to narrow our choices from 3 down to 1.

# Rubric Design:

Break out groups:

Elementary report to: Mohave Room 305

Middle report to: MDA Building B- Room 512

High report to: MDA Room B

***Report Back to this room after Break Out Group  
for OCR Presentation***
