Re: Emergency School Closure Due to Safety Concerns/Lack of Adequate Supervision and Delivery of Instruction

The District reserves the right to challenge whether approval by the Arizona Department of Education is required for a school closure or a school calendar amendment.

**Scottsdale Unified School District**

**Elementary Schools:** Anasazi, Cherokee, Cochise, Desert Canyon, Hohokam K-6, Hopi, Kiva, Laguna, Navajo, Pima, Pueblo, Sequoya, Tavan, Yavapai, Redfield

**K-8 Schools:** Cheyenne, Copper Ridge, Echo Canyon, Tonalea

**Middle Schools:** Cocopah, Desert Canyon MS, Ingleside, Mohave, Mountainside

**High Schools:** Arcadia, Chaparral, Coronado, Desert Mtn., Saguaro

**Request and reason for approval of closure:** The District is required to close its schools for instruction due to the expected work stoppage scheduled to start Thursday, April 26, 2018. Preliminary indications are that over 70% of certified staff plan to participate, and the District does not believe it can safely supervise and provide meaningful instruction due to insufficient staff presence.

**Period of expected closure (may be for duration of the strike):** At this time, the District has planned for an emergency closing of the above listed schools pursuant to Governing Board Policies EBCD and Policy ID for April 26-27, 2018.

The District has sufficient instructional minutes built into the current calendar which exceed those required by the state provided the work stoppage does not extend beyond the two days or will add those minutes.

**Summary of expected hours exceeding the minimum required by A.R.S. § 15-901:**
