MISSION STATEMENT:

Pima is committed to high expectations of learning for all students. Data-driven decision making is an essential part of ensuring our students academic, social and emotional needs are consistently met. Academic and school-wide practices promote the development of the whole child, ensuring that each student is prepared for college, career and beyond.

SCHOOL BELIEFS:

To achieve our vision we will...

Prepare our students through consistent and rigorous instruction with fidelity to Pima's core instructional practices.

Ensure a school culture and climate in which positive expectations for student learning are embedded daily into Instruction. Parent and community involvement is seen as an essential piece of our student's academic and emotional growth.

Establish a community of learners who are future-ready. Instructional practices and school programs ensure our students are ready for college, career and beyond.
