

Hello Sophomore Cohort Class,

As a member of the Scottsdale Math and Science Academy, you have worked hard for the past 2 years applying and challenging yourself. You should be proud of your work ethics, growth and accomplishments. Those attributes will take you far in life.

If you plan to graduate with distinctions, you need to meet all of the requirements on the checklist.

Have you completed: Biology Honors, Geo-Trig Honors, English I Honors
Chemistry Honors, Algebra II Honors, English II Honors
(English Honors min of 2 years)

Foreign Language 2 years

Participated in 1-2 Math or Science Competitions to date

Are you signed up for:

AP Biology, AP Chemistry, Physics Honors or HPA
Trig Pre-Calc Honors

One of the requirements is an 80-hour field experience or a Senior Research project with documentation and a presentation. You should be looking at every opportunity that comes your way. Make sure you are receiving and checking emails that I send as I forward many exciting opportunities.

You should fill out your distinctions application and turn in to Mrs. Lindberg in the Spring of your sophomore year.

If you have any questions please see me room 311/312 or email slindberg@susd.org

Thank you

Susan A. Lindberg
