AGENDA

Vote Needed:

Plan to use Tax Credit Field Trips and then Tax Credit General Extracurricular funds to cover all field trips and related expenses for the 23-24 school year. (We have done this every year and have the funds available to cover each grade having a field trip during the school year.)

Vote Needed:

Plan to use Tax Credit Extracurricular funds to add additional coaching support for Fall 1- volleyball and Fall 2- basketball.

(All coaching positions have been approved in previous years and are ongoing EPARS that are in the system for each quarter. These two additional coaching positions are not covered by the district and funds would need to come from Tax Credit. Additional coaches are needed due to the number of students who participate)
