

Dear 3rd Grade Parents,

We know, with Enhanced Distance Learning almost upon us, that many of you have started to think about putting your at home learning space together. In an effort to clarify and streamline things, the third grade team has put together this list of things that would be beneficial for your child to have while learning at home. If you had already looked at the posted supply list on the Cherokee website, you will notice this is a much more condensed list. Some of these things you probably already have at home. Please don't worry if you cannot supply everything on this list. Adaptability and flexibility are more important now than ever! Thank you for your support and understanding.

3rd Grade Supply List

Scissors

3 composition notebooks

Pencils

Crayons or colored pencils

Glue sticks

A ruler

Dry erase marker

Small/personal whiteboard (if possible)

Headphones (for when we return to school)
