Students should choose **a TOTAL of 2 credits** in the correct grade-level box below. Please also fill in the alternate choices section at the end in case any of your primary choices are not available in your schedule or do not make. (.5 credit = semester class and 1.0 credit = full year class.)

All students will take four core classes and two elective classes. Electives run on a white and blue, every other day schedule. There are two exceptions to this - \*Spanish I and \*French I for 8<sup>th</sup> graders.
