For AWAY Games: Please send them to school with a snack to eat before the game. Coaches do not coordinate pregame food, but some parents have volunteered to in the past. Buses should arrive around 2:45 so we can get to the schools and start the game as close to 4:00 as possible.

Boys Soccer and Basketball teams travel together, and because of this, do not return until after both of their games have finished. This is difficult to predict, but I will have them call when we are about 15 minutes away from the school. Pickup will be at the Front Office.

You are welcome to take your child with you after the game, and drive home from there. A **Sign-Out Sheet** will be provided with the coach for you to document this. If you are carpooling, I need an email telling me who is responsible for taking your child. My email address is mfifer@susd.org NOT the susdgapps.org account!

Basketball: The JV Team plays first, starting at 4:00. The Varsity game will start about 10 minutes after the JV game finishes.
