

Mohave Athletics Information

Tier 1: Tier 1 is an extended tryout session beginning on the first day of practice and culminating at the Saturday Festival. At the Festival, all players will play games against other middle school teams. Cross Country has their first practice meet at the 3rd Quarter Festival. There is no Festival for Track and Field. After the Festival, Coaches will determine a first round of cuts and may invite some athletes back for additional tryout practices. By the Wednesday after the Festival, the competitive teams for Tier 2 will have been made. In order to participate in Tier 1, you must register on **registermyathlete.com**, complete all paperwork (**Physical must have been completed AFTER March 1, 2023**), and pay the fees.

Tier 2: Tier 2 is the competitive season. Teams are broken down into Varsity and Junior Varsity levels. Typically a Varsity Team will be made up of 8th graders with some 7th graders, and a Junior Varsity Team will be made up of 7th graders and some 6th graders. In the event that a sport does not have a Junior Varsity Team, the Varsity Team could be made up of 6th, 7th, and 8th Graders. There is no Tier 2 for Cross Country or Track and Field as ALL participants make the team! In order to participate in Tier 2, an additional fee of **\$30** must be paid (except for Cross Country and Track and Field), and student athletes must maintain a **2.0 GPA** while having no F's.

Paying Your Fees

Online payments can be made following the instructions in the "How to Make Online Payments" attachment. If you wish to pay with cash or check, please come to the front office and speak with Julie McCullough. If you are on free/reduced lunch, and wish to apply that to Athletic Fees, you must pay in the office with the qualifying free/reduced paperwork. Please note, paying in person can delay completing the registration process and may impact your student athlete's ability to participate in a practice or game until the process is complete. Once you have paid, please email me so I can finalize and approve your student athlete for participation.
