

PUEBLO

What is a tax credit? A tax credit is NOT a donation! It IS a dollar-for-dollar reduction in the state income tax you pay. If your tax credit contribution is more than the amount of state tax you owe, the credit can be carried forward for up to five years. Receiving this tax credit will allow you to reduce the amount you owe the state or increase your refund. When filing your income tax return for the State of Arizona, the amount you designated to your school will be the amount you may claim as a state tax credit. This payment is eligible for Arizona state income tax credit as allowed by A.R.S. §43-1089.01.

Tax credit contributions are non-refundable. Designate your Tax Dollars to help Pueblo students. It's a win-win situation for you and the school! Contributions received from January 1, 2023 through April 15, 2024 can be claimed on your Arizona State tax return for either 2023 or 2024.

What will the money be used for?

- AIT- Athletes in Training providing coaches at recess for exciting activities with students
- Field Trip- admission fees and transportation to fine arts events, museums, science center and more
- Before and After School Programs- Makerspace, Design Build, Knitting Club, Dust Devil Singers, Book Club and more
- Speakers, plays and special assemblies

How Can you help your school?

---Visit <https://donate.susd.org/> to make an online donation to Pueblo

---Or complete the form below and return it with your check to Pueblo.

(The school will issue a tax credit receipt to you, then claim the tax credit when filing your AZ state income tax.)
