In partnership with the Maricopa County Public Health Department, Scottsdale Community College will be hosting COVID-19 vaccination clinics on campus January 4, 11, 18, and 25, 2022. The County Public Health Department and Scottsdale Community College want to ensure anyone interested in receiving the COVID-19 vaccination has access to do so. We are striving to support the public health of the community in the region. Maricopa County Public Health will administer the vaccinations.

- **Three vaccination options (including all boosters) available:**
  Johnson & Johnson (18 years and up),
  Pfizer (5 years and up) and Moderna.

- **No appointments needed:**
  Use the link or QR Code at right to access paperwork that will need to be filled out before you receive the vaccination.
  PAPERWORK IS USED TO OBTAIN BASIC INFORMATION
