Remaining 6 Schoolhouses are renovated for each grade level
OVERALL SITE

DESIGN INTENT

Maintain the Haver Schoolhouses and the character, proportion of the school and neighborhood.

Create a contained and secure campus

Design radiates out with Concentric circles of influence.

Center of the school is most private use by the school, the heart of the campus

Surrounded by the green space and trees of the courtyards

Campus buildings surround and protect the heart and unique spaces

Move out to more public spaces beyond
