Transition Plan: 2022-2023 School Year

High School Education
Coronado High School will continue to serve students in grades nine through twelve.

Middle School Education
Tonalea will serve students in grades six through eight.

Elementary Education
Hohokam Elementary School:
Families of students in grades K-5 within the Hohokam attendance area or open enrolled would continue to attend Hohokam, if parents so desire.

Pima Traditional School:
Families of students in grades K-5 within the Pima attendance area or open enrolled would continue to attend Pima, if parents so desire.

Tonalea K-8:
- Families of students in grades K-5 would transition to Yavapai or open enroll their students at Hohokam or Pima, if program capacity allows.
- Families of students in grades 6-8 would continue their education at Tonalea Middle School

Yavapai students currently at Hohokam:
Families of K-5 Yavapai students who currently attend Hohokam would be granted open enrollment status if they choose to have their student(s) remain at Hohokam. Transportation would be provided for one year (2022-2023) for those students who continue at Hohokam but reside in the Yavapai attending area.
