## Advanced Placement (AP) Exam Accommodation Request Deadline: January 17th

The deadline to request accommodations for AP exams is January 17th. In order for a student to be considered for accommodations they must: 1) plan to take an AP exam in May, 2) have a documented disability that affects testing, and 3) request accommodations from CollegeBoard. To request accommodations, students/parents need to speak with Desert Mountain's SSD Coordinator, Ms. Amy Hardy, [ahardy@susd.org](mailto:ahardy@susd.org). If you have an Individualized Education Plan (IEP), please contact Dr. Cindy Guillaume instead of Ms. Hardy for help requesting accommodations.

Please note: Ms. Hardy and Dr. Guillaume will assist students/families with their requests for accommodations, but CollegeBoard must approve the request in order for a student to test with accommodations.
