

Note: Capacity is updated every 12 weeks for the current school year, per A.R.S. 15-816.01. Please note that due to daily fluctuations in district and school enrollment, actual capacity on a given day may be different from what is indicated below. "Limited" indicates there are openings dependent on grade level. Please contact the school site front office for more information. Enrollment for students who receive special education services is determined based on the staffing ratios and capacity to provide services and support in the student's IEP. Specialized Programs are **A series of dashes (---) indicates that the program is not offered at that school.**
