ATTENTION Garden Club and Friends:

- In the Spring, we partnered with Scottsdale Community College to plant 13 native plant species to help butterflies and hummingbirds. We had over 25 students help and had a great time! This Tuesday, we are planting more of these plants and would appreciate the help from anyone that is able to show up between 2:30 and 5, even if it is between Talent Show Auditions or after Sports Practices. Volunteers will be given a chance to decorate a brick, which will become a permanent fixture of the garden! If you are

interested in helping, please meet up at the garden beds Tuesday after school and an adult will give you more instructions. If you have questions, please see Mr. Fifer in room 233, or email him at mfifer@susd.org!
