Mohave Morning Announcements December 13

Please rise and recite the Pledge of Allegiance as a classroom community.

STUGO has created a partnership with St Vincent DePaul and has started a non-perishable food drive! This food drive will take place from November 9th to December 17th. Make sure to keep in mind that there can be no glass and it’s a non-perishable drive so you are more than welcome to bring things other than cans such as pasta, jelly (no glass), peanut butter, and more!

ALL PE STUDENTS and ATHLETES: Please take home your belongings from the locker-room. All items must go home by Thursday Dec. 16. That includes: shoes, shorts, shirts, jackets, deodorant and your combination lock. We have to get the lockers cleaned out and ready for semester 2 PE students and athletes. Anything left in your locker or the locker-rooms will be donated to those less fortunate. Thank you - Coach Goddes and Coach Dunlop

Gardening Club meets today after school. The seeds have arrived, now it’s time to get them planted. Volunteers welcome and appreciated too! Please meet in Ms. Murrieta’s Strings room and plan on a 4:00 pickup.

Mr. Jones offers English Language Development tutoring today after school in room 214, and the café will open after school for a quiet place to study after school as well.

Reminder for the softball team, there is a Pizza celebration tomorrow after school. The boys basketball team party is today, at the Arizoan BBQ shack from 6 to 7 PM. There will be Mohave team specials, be sure to let Coach Austin know if you plan on attending by emailing or calling him.
Ms. Davis has given out the 10 prizes to students and teachers for the December riddle challenge. The challenge was ... what four letter word can be written forwards and upside down, and still be read from left to right? The answer was “NOON” written in all capital letters.

If you have been asked to change clothes with the front office, please return the clothes that were loaned to you, and pick up your belongings. The quarter is drawing to an end, let’s reunite you with your outfits.

Last week and this week, there has been an increased focus on students transitioning from the lunch room to their Reading class in a safe and respectful manner. Practicing PAWS by being respectful to other classes by being quiet, by accepting responsibility and getting to Reading on time by taking the most direct route, by being safe and walking to class. Although the focus has been on the transition to Reading from the lunch area, the expectation of transition from class to class and at the end of the day is the same. Students must walk, they must stay on the right side of the hallway, and they must keep their hands to themselves. Although the Booster activities will end, the expectation remains. Practice your PAWS in the hallways at all times.

Today in Reading, students who earned enough Hot Pink PAWS tickets will receive a GOLDEN ticket that they will use tomorrow for additional recess time. Don’t lose your ticket. Not all students will have earned a ticket, and not all students who earned a ticket want to spend extra time at recess ... so, today, your Reading teacher will tell explain to students where they will report if they don’t get a Golden Ticket. If you have a Golden Ticket but want to attend Reading Time tomorrow, let your teacher know.

On Friday, weather permitting, Student Government is holding a pep assembly. The assembly will be outside again. Students are encouraged to bring in a towel to sit on. The weather may be a bit cool ... so students are encouraged to dress warm, maybe a sweater ... maybe an ugly sweater.

Early dismissal days this week on Wednesday, Thursday, and Friday are for high school students only – as they are taking finals this week. Mohave students do not have early dismissal days this week, we will dismiss at 2:20 PM each day.

PTO Drawing (draw 2 tickets).

Stay Mighty Mohave
