

Coronado Learning Community

March 4, 2022

Dear Coronado Learning Community Families and Staff,

We are excited to announce that Tamara Jagodzinski will be the principal of the 'new' Tonalea Middle School next school year.

Principal Jagodzinski is no stranger to Scottsdale: she has served the district for the last 21 years, first as a teacher at Mountainside Middle School, then as assistant principal at Hohokam and Pima Elementary schools and, for the past six years, as principal of Hopi Elementary School. She is a proud graduate of Northern Arizona and Arizona State universities, and we are proud she chooses Scottsdale Unified School District as her professional home.

We want to thank you for your input in the prioritization process that helped in the selection of Mrs. Jagodzinski! She is a highly talented, proven leader. We welcome her to the Coronado Learning Community and thank her for the strong culture she developed at Hopi.

Sincerely,

Jed Bowman, Ph.D.
Assistant Superintendent
for Human Resources

Milissa Sackos, Ed.D.
Assistant Superintendent
for Secondary Education
