

PARENTVUE AND STUDENTVUE PORTAL

What is the ParentVUE & StudentVUE Portal?

Parents and students can access information on assignments, grades, attendance, health visits and demographic information using ParentVue and StudentVue. Information on upcoming school and district deadlines and events is also available.

Logging On for the First Time

1. Open a web browser and enter the URL supplied by your school or district into your browser address bar and press Enter: <https://synergyvue.susd.org/>
2. Select whether you are a parent or a student. Students will access the portal using their student ID# as username and their date of birth (mmdyyy) as password. Parents will activate their own, using a key provided by their school.
3. Parents select **Activate My Account** by clicking .
4. Click  to agree to the privacy agreement.
5. Enter your first name, last name and activation key **exactly as they appear** in your activation key letter received from your school. Click .
6. Create a user name and password in the boxes provided. The password must be a minimum of 6 characters and is case sensitive. Enter your primary e-mail address and click .

Viewing Information

After logging on to the website or activating an account, parents will see the home page of the ParentVUE portal and students will see the home page of the StudentVUE portal. The information on the home page includes:

In ParentVUE, children linked to a parent and attending a Scottsdale district school, have their first names listed at the top of the screen. Click the child's name to view his or her information.

The Navigation bar contains links to various records for the student selected, including attendance, grades, and Class Websites. Recent Events might include grading period dates, school events, and attendance notes.

District Announcements are featured on the right.
