

Technology – Important Things to Know

How to log in to your district computer/tablet:

Username: StudentID@susd.org

Password: Your Private SUSD Password

If you have not changed your password from your 8- digit birthday, please do so immediately. [This link will detail the steps.](#) If you forgot your SUSD password and need support to reset it, your 2nd-period teacher will have access to reset it and help regain access to your account.

First Day of School:

Log onto your computer/tablet Using an internet browser, go to <http://signon.susd.org>
Log in using your school district credentials.

For Classes:

Teachers may include links to a **Google Classroom** or a **Microsoft Team Google Classroom** login:

Username: [FirstInitial][LastName][Last2digitsID] e.g. **jpantier44@susdgapps.org**

Password: Your Private SUSD Password

*Microsoft Teams Login:

Username: StudentID@susd.org

Password: Your Private SUSD Password

*Microsoft Teams can be accessed by downloading the desktop or smartphone app, or by going to <http://www.office.com> and logging in using the info above.

Use the StudentVue app to access grades and attendance information. You can also find your virtual id in StudentVue for emergencies.
