I. Call Meeting to Order at:

Time: 2:42pm

Action Item: Motion = LR

Second = JB

Outcome = **APPROVED**

II. Approval of Meeting Minutes – May 7, 2020

Action Item: Motion = SS

Second = JY

Outcome = **APPROVED**

III. Tax Credit Account Items:

General Tax Credit Uncommitted Balance as of 9/4/20

(526-292-T700) = **\$52,210.17**

IV. Tax Credit request to utilize funds: N/A

V. Principal's Report:

1. Return to Learn Update: EDL Update → exceeding the state requirement for student educational minutes for funding (123 hours per year about 41 minutes a day) Seniors taking 5 classes really add to that average too!

Recommendations

1. Implement a Phased-In Return to Learn in Person using the following schedule:
 - September 14—Special Education Special Programs and Pre-School (already in process)
 - September 21—K-2
 - September 29—3-5
 - October 5—FALL BREAK
 - October 12--Middle School and High School
2. Based on the data, a natural “hybrid” will result from those choosing to remain in EDL and those desiring to return in person. However, in order to manage the necessary staffing changes we will be asking people to commit through the end of the semester (December 18)
3. Continue using the ADHS benchmark metrics while acknowledging challenges with meeting all of the recommendations during hybrid implementation.

Q: How are the teachers responding to the Board Meeting?

DB shared: Concern with the alphabetical split, Streaming classes is a preference but not sure of the capabilities.

Dr. J discussed the natural Hybrid. The challenge is managing the two environments

Q's: How are they proposing the students staying home and how will they be learning?

In person students, when they get sick, how will they be learning from home?

This committee can help with gathering input and what that would look like for Arcadia to bring to the district

Looking for the option to stream. (again, bandwidth issues/capabilities)

Open to ideas, the goal is to not leave any student behind. Intervention opportunities.

SS: We need more information before our families can make the decision

Dr. J: Reaching out to other schools to see what is working and what is not.

2. Parking Lot Update: Meeting with Dennis Roehler tomorrow (9/11/20)

Redone over the summer - 360 spots ☺

Survey was sent to the parents regarding the demand. Currently more supply than demand 🙌

Conversation about tagging, coding... At this time, the spots are not numbered.

Students liked their own spot!

➔ S/C from last year the majority said they didn't want numbers.

Maybe Seniors get numbered spots and the rest is free for all?

Pros vs. Cons: Dr. J will gather more data

Sophomores will be attempting to use the spots

Internal issues from 19/20- monitoring assigned spots, manpower to monitor parking lot

VI. PTO Update – Jill Beckis (President)

Doing well, adjusting to the times. Membership drive is better than expected. Teacher appreciation winner was Ms. Zubia. 1st General Board meeting tomorrow. Trying to think outside of the box to help students & teachers especially during this time.

Discussion around virtual platforms teacher preferences, district preferences, student preferences. There are safety & protocols that come into the equation. We do not want to limit teachers abilities.

VII. Student Council Update – Lily Ashworth (Student Body President)

*SENIORS are planning some activities. "Senior Sunset" "Drive in Movie" possible food trucks.

*JUNIORS are working on the Parade for homecoming looking to include the community (October 16th).

*SOPHOMORES are planning Club Rush. Still trying to get a virtual & Live.

*FRESHMAN just elected.

VIII. Requested Discussion Items: PENDING 9/4/20 email: NA

VIII. Good of the Order Discussion

Keep Parking on the Agenda for next meeting. Reach out and get feedback

LR shared that they loved the parade last year and offered to mobilize a bunch of Dads to help.

JY thanked Dr. J for all of his time and efforts setting us all up for success during this time.

X. Adjourn Meeting at:

Action Item: Motion = JY

Time: 3:40pm

Second = LR

Outcome Adjourned
