

CHAPARRAL

January 19, 2022

Dear Parents/Guardians,

Due to the continued spread of the Omicron virus, it is with great disappointment that we are canceling our **8th Grade Parent Night** this Thursday, January 20th. We encourage you to attend our **Future Firebird Night** on Tuesday, February 22nd at 5:30 pm. Counselors will be on hand to answer any questions you may have. In the meantime, please click [here](#) to go to our school's webpage about Future Firebird Night. Here you will find the link to view a presentation via PowerPoint. If after watching the presentation, you still have questions, please do not hesitate to contact your student's counselor. Counselors are assigned by last name, please see the list below:

A-Ca: Janine Welch (janinewelch@susd.org)
Ce-F: Alesha "Dayne" Davis (adavis@susd.org)
G-J: Keri Board (kboard@susd.org)
K-M: Katie Kunitzer (kkunitzer@susd.org)
N-Sa: Leslie Rold (lrold@susd.org)
Sc-Z: Megan Mayer (mmayer@susd.org)

Also, we encourage you to sign up for tours of our campus, which is another way to get many of your questions answered. Please fill out the Tour Request Form on our website <https://www.susd.org/domain/754> or reach out to Peter Heikka (pheikka@susd.org) to get dates and times.

On **Tuesday, February 22, 2022**, Chaparral would like to invite 8th grade parents and their students to attend our annual **Future Firebird Night from 5:30-7:30 p.m. in the Main Gym and Cafeteria**. This is basically an open house, during which information about clubs, performing arts, athletics, elective programs, and life in general will be shared in the Chaparral gym and cafeteria. Come and experience Chaparral's Club Rush, where you will have the chance to interact with Chaparral students, club sponsors, and athletic coaches, as well as Fine and Performing Arts and CTE programs. Staff members and coaches will be available to answer questions about clubs, extracurricular organizations, and freshman athletic opportunities.

We look forward to seeing you on February 22nd!

Sincerely,

Todd Dreifort
