

Career & Technical Education

Criminology

DESCRIPTION:

From crime scene to trial! This pathway dives into the nature and causes of crime, our criminal justice system and studies ethics of the law, police, courts and corrections. Students will learn the history of our criminal justice system, how to interview witnesses and suspects, gather evidence from a crime scene and present a case in court. If you have an interest in pursuing a career in law, public safety, sociology, forensics or social work this pathway is for you!
